

# Embroidered Guide Shirts

Swiss Arm  
Tabs to hold  
the sleeves.

Our Custom designed Guide Shirts are lightweight 60/40 Poly Cotton Hi-Tech Fabric for maximum ventiation, wicking, UV protection and wash and wear-ability.

The front features a rod tip holder and double breast pockets with velcro closures.

There's a "hidden" high collar for Sun Protection.

The tail of our Guide Shirt is sewn straight with a V-notch allowing for wearing out or tucking in.

Full Cut with a vented mesh back to keep you cool.

Available in Short or Long Sleeve
